

ADAM OTLEWSKI

SERIES 02 TABLE LAMP

Solid machined brass, hand-stitched goatskin parchment shade, with hand-dyed braided cotton cord. Goatskin parchment is an excellent diffuser of light and is naturally figured and textured, similar to the surface of the moon. Base is lathe turned from a heavy solid ingot of brass for stability, machined flush into the cylindrical housing. Base can be lifted off the solid ingot revealing a secret storage location. 18"H x 14"Diameter

Available in all offered metal finishes (Shown: Polished Unlacquered Brass)

All material finishes are living finishes: they will change and patina for the better with time and use. Every product is individually hand assembled; slight variations in color, size and shape are to be expected. Recommended bulb "G16 5W LED 2700k dimmable" included.

E26 socket with single turn key.

Maximum 40 watt bulb.

Not suitable for damp locations.

Lead time 6 weeks.

UL certification, as well as custom sizing, configurations and finishes are available, please inquire.
