

IRIS COMPLEX ARRAY

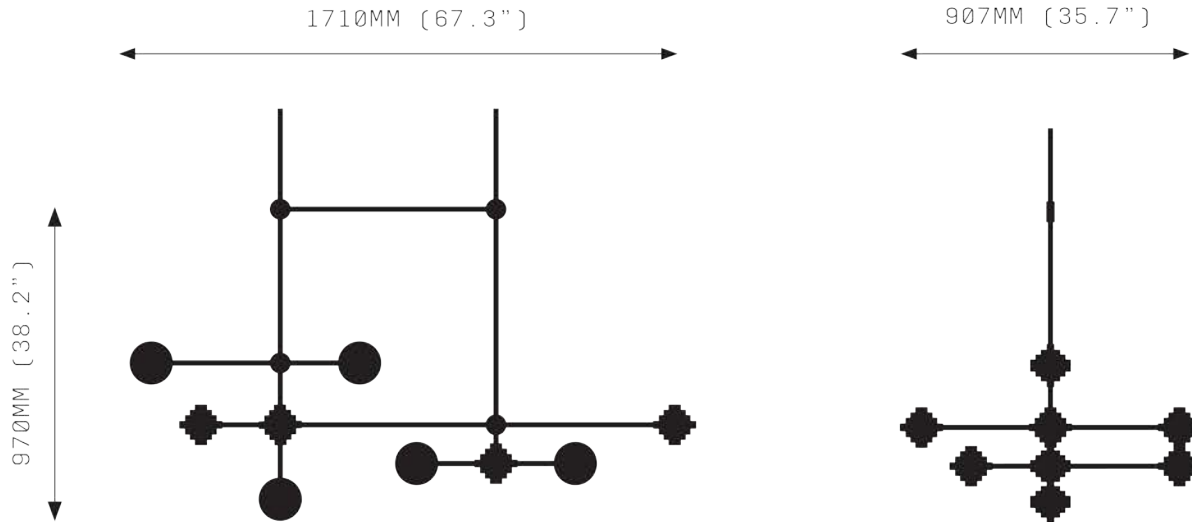

Goddess messenger IRIS bridges heaven and earth. Born of sea and sky, she links gods with humanity, bearing a message of hope and beauty amongst the storm.

IRIS combines cool alabaster with the warmth of brass. Delicately balanced, smooth stepped cupping forms suggest steady heavenly ascent.

IRIS COMPLEX ARRAY presents a network of interconnected light. A lattice of illumination travels in all vectors, through a modular design enabling site specific customisations.

IRIS is a solid fixture that will require very little maintenance over the years.

If your IRIS is treated with care, it will shine brightly for many years to come.

Alabaster is a mineral formed by the Earth. Each Alabaster piece will be unique due to natural variation of colour and translucency.
